

Sunshine is sitting at a table in the middle of all the noise and commotion reading a book alone. She looks up to see P.K. standing there smiling looking at her. P.K. doesn't do or say anything for a moment. Sunshine looks around not sure what's going on, then focuses back on P.K.

240 SUNSHINE
If you're selling weirdo vibes,
congratulations.

241 P.K.
Oh my bad, I saw you from over there
and I just wanted to come say hello,
so, hello. Introduce myself.

242 SUNSHINE
Hello. Goodbye.

Sunshine tries to go back to her book but sees P.K. still just standing there. She looks at him again.

243 P.K.
Most people pick a quiet place to do
their reading. (pause) Are you here
with someone?

Starting to read again this time not looking up at P.K.

244 SUNSHINE
Nope, Just me, myself and I.

P.K. sits in the seat opposite of her.

245 SUNSHINE
And now you,(as he sits) wow so you're
just gonna go hard with it huh.

P.K. smiles a little. Doing his best to be cool but it's coming across awkward.

246 P.K.
I'm here with my friend and cousin,
see that table at the end.

Sunshine looks over to the table where an excited Barry is waving his hand enthusiastically. She sees Barry waving a lot, and really fast. Very calmly Sunshine says.

247 SUNSHINE
 Wow I've never seen anyone wave that
 hard before. let me guess, you're not
 from around here.

P.K. looks over at Berry and then back at Sunshine.

248 P.K.
 He's cooler than he looks right now.

P.K. tries to give Berry a hint to cut it out without being obvious.

249 P.K.
 But no, we're from the hills.

250 SUNSHINE
 Oh rich boy, now it's starting to make
 sense.

251 P.K.
 So what's your name?

252 SUNSHINE
 Look, you seem like a really nice guy
 but, you should probably go back to
 your table.

Then very nonchalantly Sunshine says in a sarcastic way.

253 SUNSHINE
 I'm trouble, according to the
 consensus.

Sunshine goes back to reading her book. P.K. picks up on the vibe that she wants to be alone. He starts to scoot out the booth then stops and says.

254 P.K.
 I just wanted to know your name that's
 all. No harm in that.

255 SUNSHINE
 Don't be so sure.

256 P.K.
 I'm P.K. (pause) and you are?

SUNSHINE

257 Really that's all you wanted to know,
my name. No can get with you later or
we should go out some time.

P.K.

258 Nope, just your name.

Sunshine looks deeper at P.K. as if she's trying to size him
up.

SUNSHINE

259 So you came all the way over here just
to know my name?

P.K.

260 Well 1. it wasn't that far. And 2. The
Lord pointed you out. So when I pray
for you later I don't want to say that
girl from the place with all the
people. I Would much rather say your
name.

Sunshine takes a deep breath and puts her book down. She
looks at P.K. for a moment and says.

SUNSHINE

261 Sunshine.

P.K.

262 That's your real name?

SUNSHINE

263 That's my real name.

P.K. sets back in his chair and smiles.

P.K.

264 Of course it is.

SUNSHINE

265 Why do you say that?

P.K.

266 Well when I looked over at you I could
see a glow. You're the only person
here with one. It's like a gift and a
curse. It's why people want to control
you.

Sunshine looks as if she's thinking about what P.K. just said. P.K. stands and says.

267 P.K.

 Sunshine.
